

**All wealth comes from labor.**

**Dear Graduates,**

**We hope that the happiness of this day will continue for you in the years ahead.**

**We wish to thank you for your support this year. Although we do not march in the procession or speak at the podium, we can, in the tradition of putting up flyers, offer a few words:**

**Your gift of labor is valuable. Be aware if the system steals your time and energy in some way. We hope that you will always be able to participate in family and community life to the extent that you wish.**

**Remember us at Swarthmore who continue to struggle toward a living wage for our fellow workers.**

**Our very best wishes,  
Staff**
